□ Faculty of Law – Mangalayatan University

The Faculty of Law at Mangalayatan University is committed to nurturing legal professionals equipped with critical thinking, ethical values, and a deep understanding of national and international legal systems. Our department offers a dynamic academic environment that seamlessly blends theory with practice, empowering students to thrive in various fields of law.

We believe in learning beyond the classroom. To foster practical exposure and holistic development, the Faculty of Law actively organizes and participates in a variety of academic and co-curricular events, including:

- □♂ **Crime Scene Investigation Simulations** – Encouraging analytical thinking and practical application of criminal law principles through hands-on experience.
- □ **Moot Court Competitions** – Regular intra- and inter-university moots that sharpen advocacy skills and legal research among our budding lawyers.
- □ **Legal Aid and Awareness Camps** – Under our Legal Aid Cell, students and faculty provide pro bono legal services and conduct legal literacy drives in nearby rural and urban areas, upholding access to justice for all.
- □ **Seminars, Guest Lectures, and Workshops** – Renowned legal experts, judges, and scholars are invited to share insights on contemporary legal issues, international developments, and career opportunities in law.
- □ **Judgment Writing & Drafting Competitions** – To enhance students'

legal writing and interpretative skills, aligning with the demands of the judiciary and litigation sector.

- ☐ **Debates, Quiz Contests, and Essay Competitions** – Promoting public speaking, logical reasoning, and awareness on socio-legal matters.
- ☐ **Research & Publication Activities** – Students are encouraged to engage in doctrinal and empirical research under faculty guidance, contributing to journals, blogs, and conferences.
