Mangalayatan University Jabalpur Honored with “Champion of Life-Saving Initiatives Award” by Rotary Club

Mangalayatan University, Jabalpur, has added another milestone to its legacy of social responsibility by receiving the prestigious “Champion of Life-Saving Initiatives Award” from the Rotary Club of Jabalpur South. The award was conferred on 21st November 2025 in recognition of the university’s unwavering dedication to community welfare and humanitarian service. The citation particularly acknowledged the university’s exceptional commitment to promoting and organizing blood donation camps, highlighting the sustained efforts of students and faculty in fostering a culture of compassion and voluntary service. These initiatives have played a crucial role in saving lives and strengthening community health support systems. The award was formally signed by eminent Rotary dignitaries Shri Sarang Bhide (President, Rotary Club of Jabalpur South), Shri Akhil Mishra (District Governor), and Shri Akhil Khandelwal (Secretary). Expressing gratitude on this achievement, the university administration commended the enthusiastic participation of students and staff in blood donation drives and reaffirmed Mangalayatan University’s mission of nurturing socially responsible citizens alongside academic excellence.

Student Achievements

Mangalayatan University Students Shine at Global Conference

Students from the Department of Pharmacy, Mangalayatan University, Jabalpur, delivered an impressive performance at the Global Conference on Integrating Technology with Healthcare, Pharmaceutical, Biotechnology, Agriculture, and Biomedical Sciences for Sustainable Development, held at Chalapathi Institute of Pharmaceutical Sciences, Guntur (Andhra Pradesh). The students showcased their research excellence through both poster and oral presentations and received prestigious awards:

✓ **Poster Presentation Award:**

Akansha Thakur, Muskan Sahu, and Naman Dubey (B. Pharmacy II Year) were honored for their outstanding poster presentation, highlighting innovative research contributions in pharmacy and biomedical sciences.

✓ **Oral Presentation Award:**

Aman Sen (B. Pharmacy III Year) received the award for Best Oral Presentation for his exceptional research insights and effective presentation skills.

✓ **Gold Medal Acheived:**

Ms. Jai Divya, Research Scholar, Dept. of Pharmacy received Gold Medal in the Poster Competition at the Global Conference on Integrating Technology with Healthcare, Pharmaceuticals, Biotechnology, Agriculture, and Biomedical Sciences for Sustainable Development, held during the 19th Annual Convention of ABAP

These achievements reflect the dedication, creativity, and scientific aptitude of Mangalayatan University students. Participation in such a reputed global platform underscores the University's commitment to promoting research excellence, innovation, and sustainable development in healthcare and allied sciences. The Department of Pharmacy congratulated all the award winners and encouraged students to actively participate in national and international research forums to enhance academic and professional growth.

Student Achievers :: Forensic Fusion 3.0

The Department of Forensic Science, Mangalayatan University, Jabalpur, successfully organized a two-day National Level competition titled “**Forensic Fusion 3.0**” on 14-15 November 2025. The event witnessed enthusiastic participation from students representing 32 universities across the country. The competition aimed to enhance practical knowledge, analytical skills, and research orientation among students in the field of forensic science. Various technical, academic, and skill-based activities were conducted, providing participants with hands-on exposure to contemporary forensic practices. During the valedictory session, certificates and awards were presented to the winners and participants in recognition of their outstanding performance. Senior university officials, faculty members, and subject experts graced the occasion and encouraged students to pursue innovation, research, and excellence in forensic sciences. The university administration appreciated the efforts of the Department of Forensic Science, organizing committee, faculty members, and student volunteers, describing the event as a significant step toward promoting academic excellence and interdisciplinary learning.

Deepotsav Celebration at Mangalayatan University

The Faculty of Humanities & Faculty of Management and Commerce, Mangalayatan University, Jabalpur organized the Deepotsava Celebration on 16th October 2025 to commemorate the festival of Deepawali, symbolizing happiness, unity, and the rich cultural heritage of India. The event witnessed active participation from students and faculty members across all departments, fostering traditional values, creativity, and a strong sense of community bonding. The university auditorium was beautifully decorated with earthen lamps and vibrant lights, creating a festive and joyous atmosphere. Participants adorned traditional attire, adding elegance and cultural charm to the celebration. The program featured a variety of engaging activities, including captivating cultural dance performances, a colorful ramp walk, and melodious musical presentations reflecting the diversity of Indian culture. One of the major highlights of the event was the grand open-floor dance, which brought teachers and students together, symbolizing harmony, togetherness, and shared celebration. Overall, the Deepotsava Celebration was a memorable and successful event that strengthened cultural appreciation, unity, and festive spirit among the university community.

5-Day Virtual Faculty Development Program on Research Integrity and Innovation

Mangalayatan University, Jabalpur, R&D Cell organized a 5-Day Virtual Faculty Development Program on “Research Integrity and Innovation: Ethics, Statistics and IPR” from 15th to 19th December. The program aimed to strengthen research ethics, methodological rigor, and publication practices among faculty members and researchers. Renowned experts from leading universities delivered sessions on Research Ethics, Literature Review, Statistical Analysis, Journal Selection, Ethical Research Practices, and Data Collection Tools. The program was conducted by Prof. M. vasuja Devi, Mr. Mahammad, Asif, Dr. Sangeeta Patle and Dr. Pooja Agrawal. The FDP provided valuable insights and practical knowledge, enhancing participants’ understanding of ethical, innovative, and impactful research practices.

Mangalayatan University, Jabalpur, organized a Blood Donation Camp on 21st November 2025 at the Academic Block. The camp was conducted with the message “A Small Act, A Big Impact”, encouraging voluntary blood donation for a noble cause. Prof. B S Nagakishore, Registrar, MUJ has inaugurated the camp by donating blood as torch bearer. The event was organized under the guidance of Prof. M. Vasuja Devi, Director, R&D Cell, with Dr. Pooja Agrawal as Convener and Dr. Prakash Mishra as Co-Convener. The camp was held in association with Rotary Club Jabalpur South, NSS–MUJ, and the Red Ribbon Club. The initiative witnessed active participation from students, faculty, and staff, reflecting the University’s commitment to social responsibility and community welfare.

Confluence of Art and Stage: Interaction with Renowned Theatre Artist Shri Raghuveer Yadav

Mangalayatan University, Jabalpur organized an inspiring interactive session with renowned theatre artist and actor Shri Raghuveer Yadav on 21st November 2025. The programmer aimed to encourage students to overcome stage fear, build self-confidence, and understand the importance of art and expression in personal and professional life. During the interaction, Shri Yadav shared his rich experiences from the world of theatre and cinema, motivating students to face challenges with confidence and express themselves fearlessly. His message— “*End the fear of speaking and move forward in the light of self-belief*”—left a lasting impact on the participants. The session witnessed enthusiastic participation from students, faculty members, and art enthusiasts. The programmer significantly contributed to nurturing creativity, confidence, and cultural awareness among students.

The Internal Quality Assurance Cell (IQAC), Mangalayatan University, Jabalpur, organized an Eminent Lecture on Mentorship 4.0 on 4 December 2025 at the University Conference Hall. The lecture, titled “Transforming the Guru-Shishya Tradition into an Effective Mentor-Mentee Model,” focused on evolving mentorship practices in contemporary higher education. The session was delivered by Prof. Akhilesh Kumar Pandey, Department of Biological Sciences, Rani Durgavati Vishwavidyalaya (RDVV), Jabalpur, former Vice-Chancellor of Vikram University, Ujjain, and former Chairman, MPPURC, Bhopal. Prof. Pandey ji emphasized the relevance of traditional Indian mentorship values

and their integration with modern academic and professional mentoring frameworks. The programme was convened by Dr. Swati Saxena, Coordinator IQAC, and organized under the guidance of Mr. Aishwarya Sharma, Assistant Coordinator IQAC. Faculty members and participants actively engaged in the session, which enriched their understanding of effective mentoring strategies for academic excellence and holistic student development.

Workshop on Current Requirements of Small-Scale Industries and Skill Gap Bridging Strategies

Mangalayatan University, Jabalpur, in collaboration with Laghu Udyog Bharati, Mahakoshal Prant, Madhya Pradesh, successfully organized a two-day program titled “Current Requirements of Small-Scale Industries and Strategies to Bridge the Skill Gap” on 21st and 22nd December 2025 at the university campus. The program focused on highlighting the evolving needs of micro and small-scale industries, emphasizing practical skill development, workforce readiness, and strategies to reduce the existing skill gap. Participants gained valuable insights into industry expectations, modern production practices, and employment-oriented skill enhancement. The initiative reinforced the commitment of Mangalayatan University towards industry-academia collaboration, skill-based education, and the vision of “Udyog Hit, Desh Hit”. Dr. Swati Saxena received appreciation for her efforts in Women empowerment through MSME.

Ground water Survey of Agricultural Fields Using Advanced Techniques

Mangalayatan University Jabalpur successfully organized the workshop "Ground Water Survey for Design of Well with Advanced Techniques - Agricultural Fields" on 22nd November, 2025. Dr. Rakesh Singh, Director of the Central Ground Water Board, led the event, with support from Prof. S.S. Shukla and Mr. Vinit Jain. Experts explained simple methods to find groundwater for farm wells using tools like Vertical Electrical Sounding (VES) and resistivity tests. These techniques help pick the best digging spots, avoid failures, and save money. Farmers and students learned to map underground water layers for better crop growth and sustainable use. The session included talks and practical tips on new tech to cut drilling risks and boost well yields. It focused on real-world farming needs, aligning with the university's goal to build practical science skills. Everyone left with clear ideas for efficient water management in agriculture.

Education Meet 2.0 at Mangalayatan University, Jabalpur

Mangalayatan University, Jabalpur, successfully organized Education Meet 2.0 on November 25, 2025, under the aegis of the Admission Cell. The event brought together academic leaders, counselors, and key stakeholders to deliberate on innovative enrollment strategies and the evolving landscape of higher education in the region. The meet was efficiently coordinated by Dr. Ashutosh Saxena, Mr. Rupal Jyotish, and Mr. Ved Prakash Choubey, fostering meaningful

discussions on enhancing the student journey from inquiry to admission. Key deliberations focused on bridging educational gaps, strengthening institutional outreach, and highlighting the university's state-of-the-art infrastructure and diverse academic offerings. By reinforcing collaboration with regional educators, the initiative underscored Mangalayatan University's commitment to academic excellence, accessibility, and student-centric growth. The success of Education Meet 2.0 marks a significant milestone in the university's outreach efforts and sets a strong benchmark for upcoming admission cycles, further strengthening MUJ's position as a leading educational hub in Central India.

Fresher's Party 2025: Celebrating Indian Cultural Values

The Faculty of Humanities, Mangalayatan University, Jabalpur, organized the Freshers' Party 2025 on 8th November 2025 with the theme "Indian Cultural Values under Indian Knowledge System." The event aimed to welcome newly admitted students and foster a sense of confidence, belonging, and academic enthusiasm. Students from all Humanities programmes participated with great enthusiasm, supported actively by senior students. The festively decorated auditorium provided a vibrant platform for interaction, cultural expression, and celebration, marking a joyful beginning to university life.

Commemoration of 150 Years of "Vande Mataram"

In accordance with the guidelines of the Ministry of Culture, Government of India, and the UGC, Mangalayatan University, Jabalpur, organized a series of programmes from 7–14 November 2025 to commemorate the 150th anniversary of the national song "Vande Mataram." As part of the celebrations, the Department of Humanities conducted a Debate Competition and a Poster Making Competition on 17th November 2025. The debate encouraged thoughtful discussions on patriotism, constitutional values, and individual freedom, while the poster competition showcased students' creative expressions of nationalism and cultural heritage. The events successfully

promoted national pride, creativity, critical thinking, and a deeper appreciation of India's cultural ethos.

Chitrakala Priyadarshini: Celebrating 150 Years of "Vande Mataram"

As part of the cultural series guided by the Ministry of Culture and the UGC, Mangalayatan University, Jabalpur, organized Chitrakala Priyadarshini on 18th November 2025 to commemorate 150 years of the national song "Vande Mataram." The art exhibition, themed "*Vande Mataram – Expressions of National Pride*," showcased students' creative depictions of patriotism, unity, sacrifice, and cultural heritage through various media. Enthusiastic participation by students of the Faculty of Humanities, along with appreciation from faculty and students across departments, made the event a success. The exhibition fostered cultural appreciation, artistic confidence, and strengthened the spirit of Vande Mataram Week.

Bhagwan Birsa Munda Jayanti Celebrations...

On 26th November 2025, the Department of Sociology and Humanities, Mangalayatan University, Jabalpur, celebrated Birsa Munda Jayanti through an educational field visit and socio-psychological survey at Udaipur village, Mandla district (Madhya Pradesh). The initiative reflected the ideals of Bhagwan Birsa Munda, emphasizing awareness of tribal life, social justice, and community empowerment. B.A. First Semester students actively engaged with the rural community to study social structure, cultural traditions, psychological behavior, livelihoods, health, education, and awareness of government schemes. Guided by faculty members, the visit helped students connect sociological and psychological concepts with real-life rural experiences. The programme concluded successfully, strengthening students' understanding of rural society and honoring the legacy of Birsa Munda.

Head office - Delhi

The lecture was delivered by Shri Dinker Sabnish Ji, National Organising Secretary, Akhil Bhartiya Grahak Panchayat (ABGP), Head Office – Delhi. The speaker highlighted the role of the consumer movement (Grahak Andolan) in protecting consumer rights, correcting systemic flaws, and building an exploitation-free society. Shri Sabnish Ji emphasized ethical trade practices, consumer awareness, and the collective responsibility of society in

strengthening consumer protection mechanisms. The session was highly informative and encouraged students to become aware, responsible, and vigilant consumers. The guest lecture witnessed enthusiastic participation from students and faculty members and proved to be insightful and socially relevant.

Learner's Moot Court Competition on Intellectual Property Rights...

The Faculty of Law organized a Learner's Moot Court Competition on Intellectual Property Rights (IPR) from 06 October 2025 to 08 October 2025, for VII Semester students of B.A. LL.B (H) and B.Com. LL.B (H). The primary objective of the competition was to familiarize students with moot court procedures, enhance their ability to interpret and apply Intellectual Property laws, and develop essential legal skills such as teamwork, analytical reasoning, legal research, drafting, and oral advocacy. The event also aimed to bridge the gap between theoretical knowledge and practical legal application. The competition was adjudged by internal judges, namely Dr. Pooja Agrawal, Dr. Aishwarya Sharma, and Dr. Ankit Kumar, who evaluated the participants on parameters including legal research, application of law, clarity and coherence of arguments, courtroom etiquette, and advocacy skills. Students were divided into Petitioner and Respondent teams, and each team presented written submissions and oral arguments on contemporary issues related to Intellectual Property Rights. The proceedings closely simulated actual courtroom practices, providing students with valuable hands-on experience in IPR litigation. The moot court exercise significantly improved students' drafting abilities, legal reasoning, and confidence in oral advocacy, while also emphasizing the growing relevance of Intellectual Property Law in the modern legal landscape. Overall, the event was highly successful in achieving its objectives and received positive feedback from both students and faculty members, who appreciated the experiential learning approach adopted by the Faculty of Law.

National Constitution Day Celebrations...

The Faculty of Law observed Constitution Day on 26th October 2026 with a special programme aimed at sensitizing students to the aims and objectives of the Constitution of India. The event highlighted the importance of constitutional values, democratic principles, fundamental rights and duties, and the rule of law. All law students actively participated and collectively took an oath by reciting the Preamble of the Constitution,

reaffirming their commitment to the ideals of justice, liberty, equality, and fraternity. The programme was successfully organized by Dr.

Aishwarya Sharma and Dr. Pooja Agrawal, and contributed significantly to strengthening constitutional awareness, legal consciousness, and civic responsibility among students.

Seminar on “Misuse of Drugs”

The Faculty of Law, Mangalayatan University, organized a Seminar on “Misuse of Drugs” on 10th October 2025 create awareness about the legal framework governing drug misuse in India, with special emphasis on the NDPS Act. The seminar encouraged discussions on prevention, rehabilitation, and student-led initiatives against substance abuse, while promoting inter-faculty collaboration. The programme was graced by Hon’ble Vice Chancellor Prof. K. R. S. Sambasiva Rao, Hon’ble Pro Vice Chancellor Prof. Vineeta Kaur Saluja, and Registrar Prof. B. S. Nagakishore, along with Deans, HODs, faculty members, and students. Organized by Dr. Neeraj Prakash Rai, Dr. Pradeep Kumar Tiwari, and Dr. Shivakant Prajapati, the seminar received positive feedback and reaffirmed the University’s commitment to social responsibility.

Fresher’s Fiesta 2025 – Fresher’s Day Celebration

The Department of IT/CSE celebrated Freshers’ Day – “Freshers’ Fiesta 2025” on 7th November 2025 with great enthusiasm to welcome newly admitted students. The event aimed to help freshers feel comfortable and confident in their new academic environment. The programme featured cultural performances, fun activities, and interactive sessions, providing a vibrant platform for students to showcase talents and build connections with seniors and faculty. The celebration fostered a friendly and inclusive atmosphere, marking a joyful beginning to the freshers’ academic journey.

Guest Lecture on “From Campus Idea to Company”

The Department of Computer Science & Engineering and Information Technology, Mangalayatan University, organized a one-day guest lecture on “From Campus Idea to Company” on 10th November 2025. The session was delivered by Mr. Ankit Rajak (IM Global; Startup India Mentor; Regional Mentor, AIM–NITI Aayog). Held at the Conference Hall, Mangalayatan University, Jabalpur, the lecture was attended by students and faculty members of the department. Mr. Rajak inspired students to become creators rather than consumers, offering practical insights and a step-by-step roadmap to launching startups while leveraging government initiatives such as Startup India and AIM (NITI Aayog)

Cyber Safe Campus Initiative – Cyber Awareness Program

The Department of IT/CSE organized a Cyber Awareness Program titled “Cyber Safe Campus Initiative” on 26th November 2026, with the objective of creating awareness among students about cybercrime, online threats, and IT protection practices. Faculty members of the department conducted informative sessions supported by awareness videos, highlighting real-world cybercrime cases and effective preventive measures. The programme encouraged student interaction, allowing participants to share personal experiences and concerns related to cyber safety, leading to meaningful discussions and active engagement. The initiative successfully enhanced students’ understanding of responsible digital behavior, cyber vigilance, and safe practices in today’s technology-driven environment.

Text Book: Prof. S Nagakishore Bhavanam et.al., Published a Text Book on "Medical Imaging Techniques" by KIWI International Publishing House, Madurai, Tamil Nadu, October 2025. ISBN: 978-93-49818-56-9, Edition:I, Pages: 201, Price: Rs. 999/-. This book provides a comprehensive and systematic exposition of contemporary medical imaging modalities, covering both theoretical foundations and practical applications. It addresses key imaging techniques such as X-ray imaging, Computed Tomography (CT), Magnetic Resonance Imaging (MRI), Ultrasound, and related diagnostic technologies, which are integral to modern healthcare systems. This publication serves as a valuable academic resource for undergraduate and postgraduate students, research scholars, faculty members, and healthcare professionals, particularly in the disciplines of Biomedical Engineering, Medical Physics, Radiology, and Allied Health Sciences.

Educational Tour & Participation in Global Conference

The Department of Pharmacy, Mangalayatan University, Jabalpur participated in an Educational Tour cum Academic Visit to attend the Global Conference on Integrating Technology with Healthcare, Pharmaceutical, Biotechnology, Agriculture and Biomedical Sciences for Sustainable Development, along with the 19th Annual Convention of the Association of Biotechnology and Pharmacy (ABVP). Held from 18–19 December 2025 at Guntur, Andhra Pradesh, the international-level event provided students and faculty

an excellent opportunity to interact with renowned academicians, researchers, and industry experts. The conference enhanced participants' understanding of emerging technologies, interdisciplinary research, and sustainable practices across healthcare and life sciences. The educational tour proved to be highly enriching, strengthening academic exposure, research orientation, and professional networking, in line with the University's commitment to experiential and global learning.

Academic Spot Light :: Student Participation in Global Conference

The Department of Pharmacy, Mangalayatan University, Jabalpur proudly reports the active participation of its students in the International Global Conference on Integrating Technology with Healthcare, Pharmaceutical, Biotechnology, Agriculture, and Biomedical Sciences for Sustainable Development, held at Guntur, Andhra Pradesh. Students presented a total of 10 research papers, including 2 Oral Presentations and 8 Poster Presentations, showcasing their scientific aptitude, research skills, and academic excellence at an international platform. The Department congratulates all participating students for their dedication and valuable scientific contributions, and extends special appreciation to the faculty mentors for their guidance and continuous support.

Faculty Got Honored as Session Chair & Guest Speakers

Prof. Vikas Pandey, Dean, and Prof. Rajesh Shukla, Head of the Department of Pharmacy, Mangalayatan University, Jabalpur, participated as guest speakers in the 19th Annual Convention of the Association of Biotechnology and Pharmacy (ABVP), held at Chalapathi Institute of Pharmaceutical Sciences, Guntur (Andhra Pradesh), in conjunction with the Global Conference on Integrating Technology with Healthcare, Pharmaceutical,

Biotechnology, Agriculture, and Biomedical Sciences for Sustainable Development. During the conference, Prof. Vikas Pandey delivered an insightful presentation on the role of innovative technologies in advancing healthcare and pharmaceutical research, emphasizing sustainable development across biomedical and agricultural sciences. The session highlighted the importance of integrating cutting-edge technologies to address global challenges in healthcare and allied sectors. The participation of Mangalayatan University faculty in this international forum reflects the University's strong commitment to research excellence, innovation, and academic collaboration in the fields of pharmacy, biotechnology, and healthcare.

Visit to Leading Pharmacy Labs in Andhra Pradesh

Faculty members and students of the Department of Pharmacy, Mangalayatan University, Jabalpur, undertook an academic laboratory visit to Chalapathi Institute of Pharmaceutical Sciences, Guntur, and Bapatla College of Pharmacy, Andhra Pradesh. The visit aimed to foster academic collaboration, exchange research ideas, and provide exposure to advanced pharmaceutical practices. During the visit, the delegation explored state-of-the-art research facilities and laboratories, interacted with faculty and students on innovations in pharmaceutical sciences and healthcare technology, and observed practical applications in drug development, biotechnology, and sustainable pharmacy practices. The visit offered valuable opportunities for knowledge sharing, professional networking, and collaboration with leading pharmacy institutions. Such initiatives reflect the Department's commitment to enhancing student learning, research exposure, and professional development.

Guest Lecture on “Indian Vaccine Journey: From Crisis to Covaxin and Covishield”

Prof. Vikas Pandey, Dean, Department of Pharmacy, Mangalayatan University, Jabalpur, delivered an insightful guest lecture on “Indian Vaccine Journey: From Crisis to Covaxin and Covishield”, organized by the Department of Pharmacy, Kalaniketan Polytechnic College, Jabalpur (Madhya Pradesh). The lecture highlighted India’s remarkable achievements in vaccine development during the COVID-19 crisis, focusing on the challenges, innovation, and successful development of Covaxin and Covishield.

The session was highly engaging and informative, inspiring students and faculty to recognize the vital role of pharmacy and biomedical research in strengthening national and global health systems. The Department of Pharmacy congratulates Prof. Vikas Pandey for his valuable contribution to academic outreach, knowledge sharing, and mentorship beyond Mangalayatan University.

World Food Day Celebrations ...

FACULTY OF AGRICULTURE

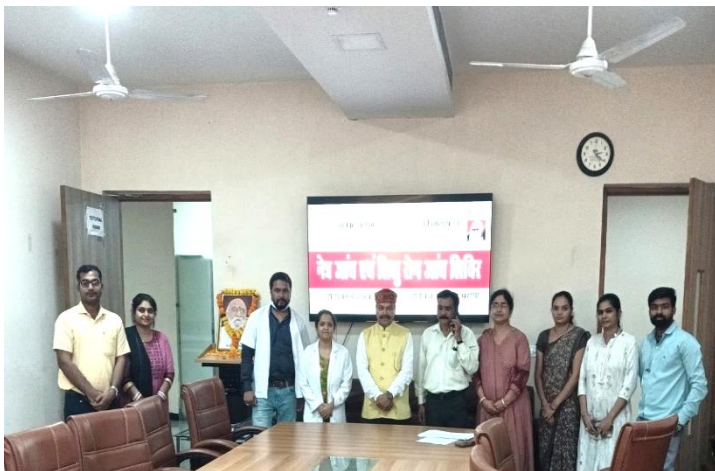

The Faculty of Agriculture, Mangalayatan University, Jabalpur, organized a week-long celebration of World Food Day 2025 from October 11 to 16, 2025, at the University Auditorium. The program aimed to promote awareness about food and nutrition security, sustainable agriculture, food processing, value addition, and Agri-entrepreneurship through a combination of academic, practical, and creative activities. The inaugural day featured essay and poster competitions, along with the inauguration of the Centre of Excellence for Skill

Enhancement through Agricultural Technologies. Eminent dignitaries, including the Hon'ble Vice-Chancellor and other senior university officials, addressed the gathering, highlighting the significance of World Food Day and rural entrepreneurship. Subsequent days focused on hands-on training, including bakery and confectionery product development, mushroom production, tomato processing, food packaging, and field-based learning. These sessions provided students with practical exposure and technical skills essential for the food processing sector. A major attraction was the Food Expo and Cake Decoration Competition, inaugurated by Dr. M. Krishna Sri, accompanied by expert lectures from industry professionals. The valedictory session featured invited lectures, certificate and prize distribution, and motivational addresses by distinguished guests from academia, industry, and financial institutions. Overall, the program successfully enhanced students' practical knowledge, creativity, and entrepreneurial outlook, while strengthening academia-industry linkages and contributing to holistic agricultural education.

Eye Check-up and Child Disease Screening Camp...

Mangalayatan University, Jabalpur, in collaboration with the Nanaji Deshmukh Training & Research Institute, Jabalpur, organized an Eye Check-up and Child Disease Screening Camp on 11th October 2025 at the university campus, Barela. The camp was conducted with the special support of Devji Netralaya, Jabalpur.

Entrepreneurship Awareness Program

Mangalayatan University, Jabalpur hosted an Entrepreneurship Awareness Programme on 08 October 2025 under the Entrepreneurship & Skill Development Programme of the Office of the Development Commissioner, Ministry of MSME, Government of India. The programme was organized at the university campus with the objective of promoting entrepreneurial thinking and skill development among students. The event was organized by the Centre for Entrepreneurship Development, Madhya Pradesh (CEDMAP), with active support from Mangalayatan University, Jabalpur. The programme provided participants with valuable insights into entrepreneurship opportunities, government support schemes, and the role of MSMEs in economic development. The initiative encouraged students to explore self-employment and startup opportunities, contributing to skill enhancement and fostering an entrepreneurial ecosystem within the university.

Enriching Industrial Tour to Bargi Hydro Power Plant

The Faculty of Management Studies and Commerce, Mangalayatan University, Jabalpur, organized an Industrial Tour to the Bargi Hydro Power Plant on 13th November 2025. The visit provided students with practical exposure to power generation processes, operational management, and infrastructure planning. The tour enhanced students' understanding of industrial operations by bridging the gap between theoretical learning and real-world applications.

Community Engagement & Service Program at Udaipur, MP

Mangalayatan University Jabalpur's Faculty of Management, Commerce & Studies, along with the Faculty of Arts, Social Sciences and Humanities, organized a vibrant Community Engagement & Service Program in Udaipur, Madhya Pradesh, on November 26, 2025. Prof. Ashish Mishra and Dr. Manoj Jhariya spearheaded the event, bringing together students and faculty for impactful outreach. The program featured interactive workshops on education, skill-building, health awareness, and sustainable living, directly addressing local community needs. This hands-on initiative strengthened bonds between the university and Udaipur residents, promoting values of service and responsibility. Through collaborative activities, attendees gained practical experience in community service while contributing to regional progress. The event highlighted the faculties' commitment to holistic education, blending management principles with humanities for real-world

Fresh Start Fiesta 2025

Mangalayatan University, Jabalpur celebrated “Fresh Start Fiesta 2025” on 8th November 2025 at the Auditorium, MUJ. The vibrant event was organized by the Department of Management and Commerce to warmly welcome new students and mark the beginning of their academic journey. The fiesta featured an energetic and joyful atmosphere, fostering interaction, enthusiasm, and a sense of belonging among students. The celebration reflected the university’s commitment to creating an engaging and student-friendly campus environment.

“Adopt a Plant” Programme

The Department of Forensic Science, Mangalayatan University, Jabalpur successfully organized the “Adopt a Plant” Programme at the department premises. The initiative included a plantation drive, tree tagging, photo documentation, final review, and a campus display exhibition. The programme also integrated Green Corner Creation, the “One Birthday, One Plant” campaign, and student presentations on green initiatives. Active student participation ensured systematic plant care and proper documentation, fostering environmental responsibility, teamwork, scientific temper, and campus beautification.

“One Birthday, One Plant” Campaign

The Department of Forensic Science, Mangalayatan University, Jabalpur successfully conducted the “One Birthday, One Plant” Campaign, encouraging students to plant a sapling on their birthdays. The initiative promoted environmental responsibility, sustainable practices, and active student participation, contributing significantly to campus greenery and ecological awareness.

Hands-on Training in Crime Scene Investigation...

The Department of Forensic Science, Mangalayatan University, Jabalpur conducted a hands-on Crime Scene Investigation (CSI) training on 04 December 2025. The session provided practical exposure to systematic crime scene examination, evidence identification, documentation, photography, and collection as per standard forensic protocols. The activity significantly enhanced students' practical skills, observational abilities, and understanding of real-world forensic investigation procedures.

NCC Activities

SSCD Activity Conducted by NCC Cadets at RDVV University, Jabalpur

NCC cadets of Mangalayatan University conducted a Social Service and Community Development (SSCD) activity and actively participated at Rani Durgavati Vishwavidyalaya. The cadets carried out awareness and community-oriented activities focusing on social responsibility, cleanliness, and public welfare. The program aimed to promote community engagement and inculcate values of discipline, leadership, and service among the cadets. University and NCC officials appreciated the initiative and emphasized the importance of SSCD activities in fostering youth participation in nation-building.

Subedar Major Rakesh Visits Mangalayatan University, Jabalpur

Jabalpur: Subedar Major Rakesh paid a courtesy visit to Mangalayatan University, Jabalpur, and met with the Vice-Chancellor. During the interaction, discussions were held on strengthening cooperation between the University and NCC and defence-related activities, with a special focus on youth training, discipline, and leadership development. The Vice-Chancellor appreciated the significant role of the Indian Army and NCC in shaping the character of students and fostering values such as patriotism, discipline, and national service. He also assured continued institutional support for initiatives that promote leadership and holistic student

development. The visit marked an important step towards enhancing collaboration between the University and defence organizations, aimed at nurturing responsible, disciplined, and service-oriented youth.

Bharat Golf Mahotsav: Actor Randeep Hooda Meets NCC Cadets

Renowned Bollywood actor Randeep Hooda participated as the Chief Guest at the Bharat Golf Mahotsav (GFI Tour-2025) held in Jabalpur, Madhya Pradesh. The event was organized in association with the Indian Army and the Golf Federation of India with the objective of promoting golf, physical fitness, and environmental awareness. The programme featured plantation drives and mini-marathons, encouraging participants to adopt a healthy, active, and eco-friendly lifestyle. NCC cadets were present at J&K Ground, Sadar, where they interacted with the actor. Randeep Hooda appreciated the cadets for their discipline, dedication, and commitment and motivated them to actively contribute towards nation-building, fitness, and environmental conservation. The event proved to be highly inspiring for the youth and significantly strengthened the spirit of patriotism, social responsibility, and environmental consciousness among the NCC cadets.

Congratulations to ANO Jagriti Upadhyay for achieving the Lieutenant cadre !!

This is a remarkable milestone, reflecting her dedication and expertise in guiding NCC cadets.

As an Associate NCC Officer, Jagriti plays a vital role in shaping young minds. The Lieutenant rank is a testament to her hard work and commitment

NCC Cadet Arpit Pasi of Mangalayatan University, Jabalpur Selected for PM Rally-2026, New Delhi

Mangalayatan University, Jabalpur proudly announces that NCC Cadet Arpit Pasi has been selected to participate in the prestigious Prime Minister's Rally-2026, to be held in New Delhi. This distinguished achievement reflects the cadet's hard work, discipline, and unwavering dedication, bringing immense pride to the University and its NCC unit. This success has been achieved under the constant guidance and motivation of Lt. (Dr.) Vijay Bagare, ANO. The University also acknowledges the invaluable support and mentorship of 1 MP Artillery Regiment, NCC Jabalpur, under the leadership of Commanding Officer Col. Vikrant Tyagi, SM, whose encouragement played a crucial role in this accomplishment. On this proud occasion, the Hon'ble Vice-Chancellor Prof. K. R. S. Sambasiva Rao, Pro Vice-Chancellor Prof. Vineeta Kaur Saluja, and Registrar Prof. S. Nagakishore Bhavanam congratulated Cadet Arpit Pasi and extended their best wishes for his future endeavours. The University authorities also appreciated the dedicated efforts of the NCC unit and reaffirmed their continued support for such national-level achievements. The selection of Cadet Arpit Pasi for the PM Rally-2026 marks a significant milestone for Mangalayatan University, Jabalpur, and serves as an inspiration for other students to actively participate in NCC activities and contribute to nation-building through discipline, leadership, and service.

NCC Cadet Tulunga Narzary of Mangalayatan University, Jabalpur Selected for PM Rally-2026, New Delhi

Mangalayatan University, Jabalpur, proudly announces that its NCC Cadet Tulunga Narzary has been selected to participate in the prestigious Prime Minister's Rally (PMR)-2026, held on 27 January 2026 at Cariappa Parade Ground, New Delhi, during the Republic Day Camp. The rally was addressed by Hon'ble Prime Minister Shri Narendra Modi under the theme "Yuva Shakti, Viksit Bharat." Cadet Tulunga Narzary's selection reflects his discipline, dedication, and leadership qualities.

The achievement was made possible with the guidance of Lt. (Dr.) Vijay Bagare, ANO, Lt. (Dr.) Jagrati Upadhyay, and the training support of 1 MP Artillery Regiment, NCC Jabalpur, under Col. Vikrant Tyagi, SM. The Vice-Chancellor Prof. K. R. S. Sambasiva Rao, Pro Vice-Chancellor Prof. Vineeta Kaur Saluja, and Registrar Prof. S. Nagakishore Bhavanam congratulated the cadet and appreciated the efforts of the NCC unit, terming it a proud moment for the University.

NSS Activities

NSS Cloth Distribution

The National Service Scheme (NSS) Unit of Mangalayatan University, Jabalpur organized a Cloth Distribution Drive at Devri Village on 02 December 2025. With the active participation of 30 NSS volunteers, essential clothing items were distributed to nearly 150 underprivileged villagers. The initiative strengthened university–community engagement and promoted values of empathy, teamwork, and social responsibility among students.

Sports

Crawl Trench added to sports activities...

Mangalayatan University Jabalpur's Sports added a crawl trench project for training activities on December 1, 2025. The initiative was led by responsible officers Mr. Indramani Agnihotri and Mr. Parshuram Singh. This hands-on effort created a practical trench for cadet drills, boosting skills in field maneuvers and teamwork. It supports discipline, fitness, and defense preparedness on campus. Students/Cadets gained real-world experience in construction and obstacle training, aligning with the university's active programs like NCC camps and selections. The project enhances future sessions for stronger cadet readiness.

Student Participation in Bharat Golf Mahotsav, Jabalpur

Mangalayatan University, Jabalpur, proudly participated in the Bharat Golf Mahotsav held on 9th November 2025, representing the university at a national platform organized by the Golf Federation of India. The event was conducted under the Government of India initiative “Narendra to Narandra Gaurav Yatra,” promoting sports excellence and national pride.

Career Development Cell

Guest Lecture on Careers in Modern Agriculture

The Career Development Cell & Faculty of Agriculture, Mangalayatan University, Jabalpur, organized an insightful guest lecture titled “Cultivating Futures: Exploring Careers in Modern Agriculture.” The session was delivered by Shri Pankaj Dubey, who shared valuable perspectives on emerging opportunities, innovations, and career pathways in the agricultural sector. The lecture helped students understand the evolving role of technology, sustainability, and entrepreneurship in modern agriculture, motivating them to explore diverse professional avenues and prepare for future challenges in the field.
